

FOUNDRY PRODUCTS: Technical Data Sheet

PROCESS OVERVIEW: TOTE RECYCLING PROGRAM TM

In order to best serve the needs of our customer base, all '1-way' totes (technically an IBC – intermediate Bulk Container) are put into service under the environmentally sound 'One Way Ticket' program. Under this program, as long as you qualify by respecting the rules and regulations outlines, a 3rd party contractor will remove your empty totes (in certain countries) free of charge.

Details can be found by following this EXTERNAL link:
